GlobalDancetv Recommends:

Using Mozilla Firefox or Google Chrome to view your media. These browsers have returned the best results during our tests.

Purchasing your subscription early and testing your viewing experience before the time of the broadcast. During the broadcast our staff will be busy making sure the recordings are the best they can be, and might not be able to address your questions immediately. [Media will be available for months following the competition, and you may renew your subscription after the original 30 Days expires.]
